## ABOUT US

All of our products are natural stone with nature's variations. We make every effort to sort our products to the size and color specification to meet your needs. We offer a variety of colors, multi blend brown, blue, blue/brown, silver mist, and peach buff.

Our patio is uniformly stacked pieces, dinner plate size and larger. Slabs are 1-2 pieces per layer, generally pallet sized or larger. Standup slabs are a premium material in our custom crates, 4 sided space saving crates available for 1-2" slabs, 2-3" slabs are in a full-size pallet stood up in a custom rack.

We have full capabilities to chop or saw any of our materials for any application, if you have a specialty need please contact us to check availability.
